

ECMC Annual Network Meeting

Thursday 21 May 2015

Burdette Suite B, The King's Fund, No. 11 Cavendish Square, London, W1G 0AN

ECMC Quality Assurance & Translational Science (QATS) Network Group

Future direction and plans for the ECMC QATS Network Group

Chairs: Alex MacLellan and Karen Swales

Aims:

This meeting is a chance to hear about the future direction of the ECMC QATS Network Group. This group now has two specific subgroups: one focusing on the the quality assurance side of ECMC activities and the other on the translational science side. Delegates will have the opportunity to input into and get involved in the workplans of the two subgroups
